

HAINÉ PTO SPONSORED PROGRAMS

EARNING EXTRA  FOR OUR KIDS

PRINTER CARTRIDGE RECYCLING

Send in **“Used”** ink or toner printer cartridges. We will turn the used cartridges into Staples and OfficeMax for recycling. Each used cartridge earns us a \$3.00 credit. By using these credits, it reduces the PTO administrative costs tremendously so all fundraising money raised directly benefits the kids and school. Please note that we cannot accept cartridges that have been remanufactured or refilled.

OFFICEMAX & STAPLES REWARD CARDS

Simply cut out the cards below and use them while you shop for office & school supplies at either Staples or OfficeMax. Present the card at the register and Haine PTO earns points for every purchase you make. Not a card person, no problem, you can just use member id numbers by keeping them handy in your cell phone and use them while you shop.

Staples Member ID #: 3958249827

If you forget the card or numbers don't worry just send in your receipt (within 90 days of your purchase) in an envelope marked "Haine PTO" and we can enter your receipt online and still receive points for your purchase.

It's simple, easy and doesn't cost you a penny. Start shopping today to help our school!
